Transform your **HOME** into a **TREE**
by painting with **GRAPHENSTONE***

*Three 15 litre buckets of our paint absorbs more
than 10Kg of CO₂. This is the same amount an adult
tree weighing 250Kg would absorb in one year.

Firenzza
NATURAL RENDERING MORTAR
FOR TEXTURE CREATION

www.graphenstone.com

Firenzza

Firenzza is an aerial lime mortar for walls ideal for creating **decorative textures**.

A mortar to create textures that evoke the primary **origins of nature**: sand, water, stone and the passage of time on it.

Thanks to its formula with **graphene technology** and its **lime base**, it is more resistant and highly breathable. Therefore it allows you to **decorate in a healthier way**.
